CHILD EVANGELISM FELLOWSHIP®

Child Evangelism Fellowship (CEF®) is the world's largest children's ministry. Our mission is to share the love of God with the children of the world through our various children's programs.

OUR MISSION

Child Evangelism Fellowship® is an International Bible-centered organization composed of born-again believers whose purpose is to evangelize boys and girls with the Gospel of the Lord Jesus Christ and to establish (disciple) them in the Word of God and in a local church for Christian living.

OUR VISION

Our ministry vision is to reach Every Child, Every Nation, Every Day.

Every Child

God has given His people a clear commission—to reach every creature with the Good News of the Lord Jesus Christ. Our special mission in *CEF* is to evangelize every child. In the last ministry year our workers worldwide reached over 15.6 million children! *CEF* is committed to reaching 15 percent more each year. Strategic ministry choices such as *Good News Club®* in public schools and concentrating on high potential growth countries will help us reach this goal.

Mark 16:15, "Go ye into all the world and preach the gospel to every creature."

OUR VISION *(continued)*

Every Nation

CEF is a worldwide ministry serving in every region of the world in an ever expanding way.

Matthew 28:19, "Go ye therefore, and teach all nations."

Every Day

We are committed to leading children to be in God's Word every day. As children grow in their relationship with the Lord through meditating on His Word, they develop godly character, which produces much fruit to the glory of God, including spreading the Gospel to their peers. We now have over 800,000 Wonder Devotional Books in Africa. Right now we are working to reach 500,000 children in Asia with the books.

Psalm 119:2, "Blessed are they that keep his testimonies, and that seek him with the whole heart."

Only as we trust in God and call upon Him are we empowered to do His will. Programs come after prayer, never before it.

We have over 3,400 workers worldwide led by eight regional directors. There are also tens of thousands of volunteers worldwide. God works through His people, godly leaders, staff and volunteers in order to accomplish our goals. The sun never sets on CEF ministry. We provide training, equip our workers with ministry tools and support them through fund-raising and ministry development.

OUR STRATEGY

Training

Training is offered worldwide with the support of our education department. The training of local workers and volunteers multiplies our ministry and enables us to reach many more children with the Gospel than we otherwise could. Through Super Seminars, *Teaching Children Effectively*™ courses and the 12-week Children's Ministries Institute courses, CEF is enabling those with a burden for children to effectively evangelize them. In the past ministry year we reached over 270,000 teachers. We have institutes in every region. Training is key if we are to see more children reached for His glory. We want to challenge more of the workers we have trained to enter full-time ministry.

Equipping

Equipping the volunteer teachers is the primary goal of our literature ministries, which includes literature development and production. Because many of our workers are in developing nations and are unable to afford the needed curriculum, we distribute materials to trained teachers, free of charge. Our regional directors confirm that this is one of the reasons we have expanded ministry over the last ten years. Our goal is to send more and more material every month.

In addition to our biblically sound and colorfully illustrated Bible curriculum, some of the most strategic tools we offer are the 60-Day Wonder Devotional Books, which encourage children to begin a lifetime habit of time alone with God. We are also known for our evangelism tools, such as The Wordless Book.

Supporting

In *CEF* we need a growing number of national workers on the front lines to see the children evangelized and we also need an increasing support team to get behind these workers – both are vitally important. The work of *CEF* cannot continue without the Lord’s provision. We are committed to helping our workers in different parts of the world present the need for resources within their own countries. However, in many countries, because of poverty or oppression, it is impossible to raise the needed support from within. For this reason we are committed to building a connection between those who are called and equipped by God to do ministry and those who are blessed and able to provide the finances needed to sustain it. God is our source—we “trust Him and tell His people”—the rest is up to Him. So our prayer is that the Lord will send out more laborers and also that He will raise up a team of supporters for them. We are creating a new and more effective *Sponsor a National*™ program to enable ministry growth and worker retention across the world. “How will they hear without a preacher?” *CEF* is looking to God to provide for 1,000 SPAN workers, supported appropriately and consistently so that the work goes forward.

EVERY DAY we are actively pursuing our ministry goals.

Join with us in prayer. Become part of our support team as we reach...

Every *Child*, Every *Nation*, Every *Day*

OUR PROGRAMS

Good News Club

Good News Club[®] (*GNC*[™]) is a ministry of *Child Evangelism Fellowship* in which trained teachers meet with groups of children in schools, homes, community centers, churches, just about anywhere the children can easily and safely meet with their parent's permission.

JYou Connection

JYou Connection[™] (*JYC*[™]) is a place for middle-schooler's and young teens (age 11-14) to enjoy faith, fun and friends. *JYC* is a safe place with leaders who care about you now and for your future. Clubs meet weekly at schools, homes, community centers and churches.

5-Day Club

5-Day Club[®] is an exciting, fun-filled one and a half hour held each day for five consecutive days. It includes: dynamic Bible lessons, creative learning activities, inspiring missionary stories, meaningful songs, and life-changing Scripture memorization.

Christian Youth in Action

Christian Youth in Action® (CYIA™) is a summer missions program specifically designed for middle school-aged, high school-aged, and college students which provides training, materials, and ministry opportunities to help young people, share their faith with confidence and understanding.

Participants will attend a one week training at Indiana Wesleyan University where they will learn to present the Gospel clearly on a child's level, counsel a child for salvation and lead a dynamic club ministry for kids. Components of this club include teaching a Bible lesson, a real-life missionary story and a Bible verse as well as leading songs, games and a fun review time.

After this training, teens will return to their local community and teach clubs at various locations with a team of other young people. These clubs take place out in the community with predominantly unsaved kids who don't regularly attend church. they will be able to take the light of the Gospel to them in their apartment complexes, day care centers, neighborhoods, schools and other community locations. Teens will teach clubs from two to six weeks during the summer.

CEF believes it is vitally important to invest into the lives of our youth so they can be equipped to make a difference in the world around them. Over 70 teens were trained last year in Indiana on how to meet the emotional, social, physical, and most importantly the spiritual needs of the children enrolled in a summer *5-Day Club*. We then gave them tangible opportunities to put their training into action. Will you join us in partnership as we train up the next generation who will be the future leaders of our community?

Fair Ministry

Child Evangelism Fellowship sets up booths at the surrounding county fairs and festivals in order to share a Gospel presentation to the children who attend the fair. We also include their parents in this presentation. We work closely with local churches to enlist volunteers and have a church home to direct the families to.

Party Clubs

A party club is program outreach of *Child Evangelism Fellowship* that presents the Gospel to church and unchurched children. These one-time outreaches are taught by *Good News Club* leaders, Sunday school teachers, children's ministry workers, and other believers who love children.

Club components include a life-changing memory verse, creative learning activities, interactive games, active worship songs, and more! A party club can be used as a one-time outreach program, a party for your Sunday school, and more.

Our two main party club outreaches are our Christmas Party Club and Easter Party Club. These club lessons are meant to teach the true meaning of these holidays to the children.

We also offer a variety of other party clubs. Examples are:

Dinosaur Tracks - apologetic creation lesson

Johannes Kepler - apologetic science lesson

The Secret of the Watermelon - summer lesson

Ice Cream Social - end of the summer lesson
