

Ours is an urgent ministry.

We must reach people for Christ while they are children! Pollster George Barna's studies confirm this urgency.

He has found that if people do not trust Christ as Savior by the time they are teenagers, there is little chance that they will do so.

Reaching children for Christ is also a highly fruitful ministry. CEF has now opened ministry in over 185 countries including the U.S. Last year, we presented the Good News of salvation to over 25 million children!

What can I do?

- 1 | Identify the best places to reach children and families in your community—parks, community centers, backyards, apartment complexes, boys and girls clubs—anywhere children gather!
- 2 | Start praying now for your *5-Day Club*, the children and families who will be reached and for your church to be able to build strong and lasting relationships with them.
- 3 | Consider hosting a *5-Day Club* in your own backyard or talk to your pastor and church leaders about partnering with CEF to reach your community for Christ.
- 4 | Contact CEF and ask for a team to teach a club in your community or to find out how YOU can volunteer this summer as a teacher or helper!
- 5 | Give financially to impact your community for Christ!

What is a 5-Day Club®?

5-Day Club® is a unique and effective way to reach the children and families in your community. For an hour and a half each day (Mon.-Fri.) children ages 5-12 gather to play high-energy games, hear exciting Bible lessons, missionary stories and sing upbeat songs that teach unforgettable truths!

There's action, fun and relationships with people who care and want children to know the One who loves them the most—Jesus!

Each summer, thousands of children around the world come to know Christ through these clubs.

Who teaches a 5-Day Club?

Teachers and helpers are screened and trained by *Child Evangelism Fellowship®* and learn to lead clubs and teach Bible lessons, songs, memory verses and missionary stories.

Best of all, they learn how to counsel children who wish to trust Christ as Savior. With over 75 years of experience, CEF has developed materials that capture children's attention, teach them biblical truths and help them understand and respond to the Gospel.

Who are host families and what do they do?

A host family is a respected, friendly family concerned about the spiritual welfare of the children in their neighborhood. They are willing to open their homes, invite boys and girls to the club, provide a simple snack for the children, in some cases sit with children during instruction and help solve discipline issues that may occur, and encourage children to come back each day.

What is the follow-up plan for 5-Day Clubs?

We encourage all children to go to a Bible-believing church and to attend a *Good News Club®* during the school year.

These clubs, held once a week in homes, schools and other locations, present the Gospel through Bible and missionary stories, songs and fun games and activities. At *Good News Club* children are encouraged to have a daily quiet time using their devotional, *The Wonder Book™*.
