WHO IS CHILD EVANGELISM FELLOWSHIP®:

Child Evangelism Fellowship (CEF®) is the world's largest children's ministry. Our mission is to share the love of God with the children of the world through our various children's programs.

WHAT IS A CHRISTIAN YOUTH IN ACTION® (CYIA™)

CYIA™ is a summer missions program specifically designed for middle school-aged, high school-aged, and college students which provides training, materials, and ministry opportunities to help young people, share their faith with confidence and understanding.

CEF believes it is vitally important to invest into the lives of our youth so they can be equipped to make a difference in the world around them. Over 70 teens were trained last year in Indiana on how to meet the emotional, social, physical, and most importantly the spiritual needs of the children enrolled in a summer 5-Day Club. We then gave them tangible opportunities to put their training into action. Will you join us in partnership as we train up the next generation who will be the future leaders of our community.

Romans 10:15

How shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!
