

"I never really thought that I would ever be in ministry. But God used my summer at **CYIA™** to show me **HIS** plan for me. I would wish that **ANY** teen would get to have the amazing experience I had learning *real* skills and gaining the tools to better serve, grow, and lead for Christ!"

— a former **CYIA™** student now serving in full-time vocational ministry

"It [**CYIA™**] was among the most powerful and effective spiritual maturing tools that God has ever used in the lives of my children."

— a mother of two **CYIA™** students from 2019 and 2020

"I've never 'clicked' with a group of people faster than I did at **CYIA™**! Everybody was so nice and prayed for me so much even when I didn't think I could do it. This has been the **BEST** summer and I can't wait for next year!"

— a **CYIA™** student after her first summer serving with her local CEF chapter

THIS SUMMER, TURN YOUR WORLD *upside down*

Reaching children worldwide™

What will your **CYIA™** story be?

You can change the world — one child at a time!

Have you ever wanted to go on a missions trip, but cost, timing, or distance made it impossible?

Are you a young Christian who wants to serve God — but isn't sure exactly *how* to do that?

Could you use a few more Godly Christian friends who truly care about you *spiritually* and want what's really best for you?

Do you want to *really* make a difference in this world for Christ, not just talk about it?

Now is the time to prayerfully consider
Christian Youth In Action®!

What's *Christian Youth In Action*®?

CYIA™ is a summer missions program specifically designed for middle school-aged students, high school-aged, and young adults by providing training, materials, and ministry opportunities to help young people, like you, share their faith with confidence and understanding.

As a **Summer Missionary** (the official name of a program participant) you'll learn to boldly and knowledgeably share the gospel with children in your very own local community by teaching 5-Day Clubs and other children's outreaches in the North Central area of Indiana.

Who participates in *CYIA*™?

Christians ages 12-13 may apply as **Missionary Assistants (MAs)** who will receive most of the regular training responsibilities and serve as **volunteers** for 2 or more weeks over the summer.

Christians age 14 and older may apply for full, regular training responsibilities as **Summer Missionaries (SMs)** who may choose to **volunteer** for 2 or more weeks over the summer.

Christians age 16 and older may apply for full, regular training responsibilities as **Summer Missionaries (SMs)** who may choose to **volunteer** for 2-3 weeks over the summer or **raise support** to be paid a salary for 4 or more weeks over the summer.

How long is *CYIA*™?

Training begins in June and continues for **6 weeks** over the summer months.

See cefnci.com for this year's specific dates and details.

Does *CYIA*™ cost anything?

Just like real missionaries headed for the field, each participant is responsible for raising support to help cover part of their training costs, materials, and salary (if not volunteering). Trained **CEF** staff will coach and assist you throughout the full process.

Will I serve by myself?

CYIA™ students come from all over Indiana. Locally, you'll serve within a team comprised of fellow young people from the North Central Indiana area.

What's a *5-Day Club*®?

A 90-minute club for children held during the summer months in backyards, community centers, parks, and other locations for five consecutive days where the Gospel is clearly presented through Bible Lessons, a Missionary story, exciting games, songs, and more! **CYIA™** students receive full training to conduct clubs with their team.
