About *Child Evangelism Fellowship*®

What is CYIA™?

Christian Youth in Action® (CYIA) is a short-term summer ministry dedicated to the training and development of committed Christians (ages 12 and up) who want to be equipped to reach children for Christ. By completing the training program, you will be certified by *Child Evangelism Fellowship*® to teach the 5-Day Club® program. These new skills could also be used for ministry in your church and to your neighbors, friends and relatives.

Why choose to be a part of CYIA?

As a result of teaching God's word as a Summer Missionary...

- 1 | Boys and girls will be reached with the Gospel of Christ.
- 2 | Children's lives will be changed.
- 3 | Your skills will sharpen in the areas of communication, teamwork, endurance, responsibility and self-confidence.
- 4 | Your faith and vision will grow deeper.
- 5 | You will build new friendships that can last a life-time.
- 6 | You will build experience for service in your own local church, school or vocation.

5-Day Club®

These are neighborhood Bible clubs for children over the summer held in a home, backyard, park or other location for an hour and a half each day for five consecutive days. Each club includes exciting Bible lessons, true-to-life missionary stories, and life changing memory verses. Singing, sharing and games round out the rest of the time.

CYIA™ Training

You will receive individual and group instruction from the staff of *Child Evangelism Fellowship*.

Summer Missionaries (ages 14+)

During your 7-day CYIA training you will be equipped to teach the entire club, including counseling boys and girls to receive Christ. By the end of the training you will be able to teach all the aspects of a club to children in a real *5-Day Club* setting.

Missionary Assistant (ages 12-13)

During your 7-day CYIA training, you will be equipped to teach memory verses, songs, and other skills necessary to assist a summer missionary with the club time. By the end of your training you will be able to actively participate in a real *5-Day Club* setting with a Summer Missionary.

The CYIA training is held at a safe facility that is well suited for individual instruction and group learning.

Missionary Support Raising

As a Summer Missionary, you may volunteer your time or receive payment for each club that you teach. All Missionary Assistants are considered volunteers. The training costs, materials, and payroll is provided through the missionary support that we help you raise. Most of your friends, people at your church, and relatives will be glad to help your participation in this mission's project. We will help you construct and send support letters, a mid-summer update, and thank-you letters.

IMPORTANT: Training is an important requirement to prepare you for a successful ministry. You **MUST** be available to attend *Christian Youth in Action*® training at Indiana Wesleyan University, in Marion, IN from Saturday, June 6th, through Friday June 12th. The cost of the training is \$500 + \$100 for 5-Day Club materials. We will help you to raise this cost through our Summer Missionary Support Program. There will also be two pre-trainings in our local area (free of charge) which we will schedule with you to be completed before you leave for CYIA™ training. If you are not available for these dates, then you will be unable to join us as a summer missionary. Costs and dates are subject to change from year to year.

Why are you interested in helping with children's ministry for the summer? _____
