Teacher Enrichment Seminar

As a Pastor or Children's Church Director, you are invited to specifically design a Teacher Training that will best meet the needs of your church or you can opt to have a standard Teacher Enrichment Seminar conducted for your children's ministry volunteers. Most classes are 50 minutes in length and a 10 minute break will follow each class. You may opt to design a one day training or a multiple day training.

Door prizes will be given throughout the seminar and these door prizes will be items that will aid the student in their children's ministry. The cost of a full day training of 5 classes is \$20.00. This will cover the cost of the materials and the additional helps the student will receive.

The following pages will give you a list of seminar classes that are available for you to choose from. The classes with an asterisk are standard Teacher Enrichment Seminar classes.

All Teacher Training Seminars will need to be scheduled one month in advance. If you would like to schedule a seminar for your church, please contact our Local Director.
